2. You in the shadows  
You watch, but you don't talk  
I remember your name.  
What were you thinking  
I guess I'll never really know.  
I still play that guessing game.

3. Big old buildings  
Look like they'll never fall  
but they all be gone someday  
It's a big old country  
the weak and the strong  
we'll all be gone someday
