Chorus

For ending repeat "Deja vu all over again 3 times"

2. When I need a fix, I just boot up the web,
 Got the whole dang planet in my hand.
 Write in my blog, Click on a tune,
 Then crash. Call Customer Service once again.
 Cause Nothing is changing
 I'm on hold again
 I've got that old feeling Deja vu all over again...
 Do you think things are changing?
 I'm on hold again.....
 I got a recording: Deja vu all over again.

3. I got a ticket. I'm standing in line.
 I already took off my shoes.
 Wand me baby. You can even kiss me goodbye.
 Got the 21st-century-consumer-citizen blues.
 Hey is this plane moving? Stuck on the ground again.
 Do you have that old feeling?
 Dejavu all over again.
 Hey is this plane moving?
 Stuck on the ground again.
 I've got that old feeling. Dejavu all over again.
